

Thornton Capital Group LLC is a resource management agency that aims to make a big difference in your private, not-for-profit, or government organization.

We bring together our team's experience and expertise with your organization's mission and goals to create solutions that meet your needs.

Our main goal is to connect your organization with the products, resources, and services you require.

Capability Statement

Consulting • Social Media Management & Monitoring

As a small business, we possess the ability to bring about significant positive change within any organization. Our agility and meticulousness allow us to deliver swift results without compromising attention to detail.

We hold firm in our commitment to providing every client with exceptional service, enabling them to remain dedicated to their core mission of effectively communicating and presenting crucial information to stakeholders regarding all contract-related affairs.

- We go above and beyond with every client.

Core Capabilities

- Consulting
- Social Media Management
- social Media Monitoring

At our core, we prioritize the establishment and nurturing of partner relationships. We take pride in serving as the pivotal point of contact between businesses and the essential solutions they require, while guaranteeing timely delivery.

Our role encompasses bridging the gap between companies, vendors, and independent contractors. We diligently maintain comprehensive records of all communications and transactions, while also formulating and implementing effective policies and procedures to streamline our efforts in aligning with and accomplishing your organization's vision.

Non-Government Experience

- Gods Chosen Development Center
- Davis Second Love Learning Academy
- First Steps 2 Learning Academy
- Ram In The Bush's Pre-School
- Tiny Hands Big Hearts In-Home Childcare
- Precious Stars Registered Home Childcare
- Lil Kings "N" Queens Childcare
- Boss Fitted

At TTCG, our main goal is to understand what your organization needs and then find effective solutions, saving you time and resources. Additionally, we pride ourselves on forming a partnership with your organization, providing advisory services and assistance to ensure that your unique requirements are not just met but exceeded.
